

Implementation and Interpretation of **SPIROMETRY** in the Primary Practice

MORNING SESSION

8:00 - 8:30 AM: Registration | Continental Breakfast

8:30 - 12:00 PM: Implementation of Spirometry

Target Audience: Healthcare professionals who have the responsibility to administer and implement the spirometry test

Objectives:

- Review spirometry and its role in the diagnosis and management of lung disease
- Discuss ATS guidelines for acceptable spirometry tests
- Teach proper spirometry technique
- Discuss how to coach for the best results (*for both pediatric patients and adults*)
- Learn how to check for reproducibility
- Review how to recognize maneuver problems
- Review health history/pre-screening questions that may impact the spirometry results
- Describe the need for both pre- and post-bronchodilator tests

AFTERNOON SESSION

12:00 - 12:30 PM: Registration | Lunch

12:30 - 4:00 PM: Interpretation of Spirometry

Target Audience: Primary care providers who will be interpreting the results to assist with diagnosis and disease management

Objectives:

- Discuss how to integrate spirometry into an already busy practice
- Basic bronchial anatomy and physiology as it pertains to spirometry values
- Pathophysiology of an asthmatic airway and how it relates to changes in spirometric values
- Identify who should have a spirometry test and how often
- Describe measures within a spirometry test
- Discuss predicted values, actual values, and personal best
- Discuss spirometry findings as they relate to guidelines
- Teach interpretation of spirometry findings as they relate to obstructive and restrictive pathophysiology

FACULTY

Ed Corazalla, MS, RPFT
Director of Pulmonary Lab
University of Minnesota

8:00 AM - 4:00 PM

REGISTRATION

\$100 per person
for morning or afternoon session

\$180 per person
for entire day, plus lunch

3.5 CEUs will be offered
for one session

7.0 CEUs will be offered
for full day course

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the New Mexico Medical Society (NMMS) through the joint providership of Rehoboth McKinley Christian Health Care Services (RMCHCS) and the American Lung Association. RMCHCS is accredited by NMMS to provide continuing medical education for physicians.

RMCHCS designates this live activity for a maximum of 7 AMA PRA Category 1 Credit(s)™. Each physician should claim only the credit commensurate with the extent of their participation in the activity.

This program has been approved for a maximum of 7.00 contact hour(s) Continuing Respiratory Care Education (CRCE) credit by the American Association for Respiratory Care, Course #181752000.
