

Cycle Your Way

Take part in the Autumn Escape Bike Trek virtually this September and ride in your own neighborhood, on your own time, whenever it's convenient for you.

Whether you and your family ride bikes for fun or for fitness, we would love for you to join us virtually for this year's [Autumn Escape Bike Trek](#). We recommend riding during the same weekend as the in-person ride (September 24-25) or any time during the month of September, but when you ride and how far you go is truly up to you!

Here, we recommend a number of trails, but you're not limited to just these—if you have another favorite, go conquer it!

Before heading to a trail or park, please check your current local listings to ensure the park is open and safe to use. You can also visit RailsToTrails.org/COVID19 for resources on safe use of trails and linear parks.
