

2022 Individual Fundraising Incentives

Thank you for making the American Lung Association the #1 Advocate for Lung Health Issues!

We have spent more than 50 years advocating for your right to breathe clean air and have served 36.6 million people with lung disease. We have funded more than \$175 million in research since 2000 and with your help, we are allocating a further \$38 million for COVID-19 research to ensure we are better prepared to tackle any future respiratory pandemic.

We have been in existence for 115 years, we have been trusted for 115 years, and have had 115 years of positive impact. Thank you for your trust and support.

Will you take it to the next level?

To show our appreciation, we offer these exciting Incentive Gifts. Choose the gift you would like and make it your goal to fundraise to that level and beyond. We are here to help you, so don't hesitate to call or email. Let's make a plan to get you your favorite gift!

Join us in-person on May 14th or Ride Your Way and turn in all donations by June 14th to be eligible for these amazing fundraising incentives.
