

American Lung Association

Healthy Lungs Challenge

Become a LUNG FORCE Student Ambassador today! Lead your school in our **LUNG FORCE Walk Healthy Lungs Challenge**—a new campaign throughout the Hudson Valley.

LUNG FORCE Walks are one of the American Lung Association’s signature fundraising events where communities gather to support lung health by raising awareness and critical funds for lifesaving research, early detection initiatives, and pandemic defense and prevention. As a LUNG FORCE Ambassador, you will champion clean air, take a stand against vaping and help improve lung health and prevent lung disease in your community.

As a LUNG FORCE Student Ambassador, you will:

- Register your school team at **LUNGFORCE.org/westchester**
- Personalize the team page with photos and reasons why clean air and healthy lungs are important
- Ask for support from family and friends
- Attend the LUNG FORCE Walk on **June 25, 2022**
- Compete with other schools to raise funds and for largest school team
- Receive special recognition on event day

School Teams will be awarded prizes and recognized at the LUNG FORCE Walk for:

- Top Individual Fundraisers
- Largest Walk Team

The top three fundraising schools will be invited to perform at the LUNG FORCE Walk (examples of performances include instruments, song, dance, etc.)

Special banners will be presented to the schools that reach fundraising milestones!

Bronze Team
\$1,000

Silver Team
\$2,500

Gold Team
\$5,000

All Stars
\$10,000

Hang your banner in your school for bragging rights!
