

## Team Fundraising Clubs

When your team works toward a collective goal of raising \$1,000 or more, they are helping to accelerate fundraising that supports the urgency of our mission against lung disease and for lung health! The efforts of each team member come together for a greater goal! For example, if a team of 10 members raise \$100 each, together your team will raise \$1,000!

**Your team will also join a prestigious club of top fundraising team clubs and receive exclusive perks. Check them out below!**
