

Our Fight For Air Climb has been reimagined to provide the Climb experience you know and love, while adhering to CDC guidance. It will take our entire Climb community – staff, volunteers, and participants – to make event day a success.

These guidelines could change as we are regularly monitoring local requirements to ensure optimal lung health for our community.

What to Expect on Climb Day

- **Proof of Vaccination**
 - All participants, volunteers, and staff will be required to show proof of vaccination to attend the indoor event. Children 5 and older can attend if they are vaccinated.
 - Proof of vaccination can be submitted online or checked at the door.
 - Acceptable forms of verification include a copy or screenshot of the vaccination card.
- **Self-health assessment - Feel Sick? Stay Home.**
 - All participants, volunteers, and staff must do a self-[assessment](#) before attending the event.
 - Additional screening measures may be required at your location based on the venue or local COVID-19 requirements.
- **Masks**
 - Masks will be required in our indoor climb venues except when actively climbing.
- **Social Distancing**
 - ALA will follow CDC and local recommendations on 6ft social distancing.
 - Assigned start time, lanes, waiting areas, and directional signage will be used to support social distancing of 6ft between participants throughout the event.
- **Sanitizing**
 - Hand sanitizer will be available throughout the event.
 - Water will either be provided in a sealed bottle or cups may be served by a volunteer or staff member that is wearing masks and gloves.
- **What Else Will Be Different?**
 - Participants are asked to arrive at the event no more than 30 minutes prior to climb time.
 - Gear check will not be available. Please leave your possessions securely in your car or at home.
