The American Lung Association is committed to protecting your personal information. However, for the purpose of allowing the general public to contact our instructors and trainers with course inquiries, we do provide a list of upcoming TB courses with the information you have provided to us on our website. This information includes the location of the course and your contact information so people can contact you to enroll in your course. We do not post any personal information for this purpose. If you do not wish to list your upcoming TB courses on our website, please select that option on the TB Course Schedule Form.
