

MY COPD ACTION PLAN

It is recommended that patients and physicians /healthcare providers complete this action plan together. This plan should be discussed at each physician visit and updated as needed.

The green, yellow and red zones show symptoms of COPD. The list of symptoms is not comprehensive, and you may experience other symptoms. In the “Actions” column, your healthcare provider will recommend actions for you to take based on your symptoms by checking the appropriate boxes. Your healthcare provider may write down other actions in addition to those listed here.

Green Zone: I am doing well today	Actions
<ul style="list-style-type: none"> • Usual activity and exercise level • Usual amounts of cough and phlegm/mucus • Sleep well at night • Appetite is good 	<ul style="list-style-type: none"> <input type="checkbox"/> Take daily medicines <input type="checkbox"/> Use oxygen as prescribed <input type="checkbox"/> Continue regular exercise/diet plan <input type="checkbox"/> At all times avoid cigarette smoke, inhaled irritants* <input type="checkbox"/> _____

Yellow Zone: I am having a bad day or a COPD flare	Actions
<ul style="list-style-type: none"> • More breathless than usual • I have less energy for my daily activities • Increased or thicker phlegm/mucus • Using quick relief inhaler/nebulizer more often • Swelling of ankles more than usual • More coughing than usual • I feel like I have a “chest cold” • Poor sleep and my symptoms woke me up • My appetite is not good • My medicine is not helping 	<ul style="list-style-type: none"> <input type="checkbox"/> Continue daily medication <input type="checkbox"/> Use quick relief inhaler every ____ hours <input type="checkbox"/> Start an oral corticosteroid (specify name, dose, and duration) _____ <input type="checkbox"/> Start an antibiotic (specify name, dose, and duration) _____ <input type="checkbox"/> Use oxygen as prescribed <input type="checkbox"/> Get plenty of rest <input type="checkbox"/> Use pursed lip breathing <input type="checkbox"/> At all times avoid cigarette smoke, inhaled irritants* <input type="checkbox"/> Call provider immediately if symptoms don't improve* <input type="checkbox"/> _____

Red Zone: I need urgent medical care	Actions
<ul style="list-style-type: none"> • Severe shortness of breath even at rest • Not able to do any activity because of breathing • Not able to sleep because of breathing • Fever or shaking chills • Feeling confused or very drowsy • Chest pains • Coughing up blood 	<ul style="list-style-type: none"> <input type="checkbox"/> Call 911 or seek medical care immediately* <input type="checkbox"/> While getting help, immediately do the following: <input type="checkbox"/> _____
