Call for Abstracts

The American Lung Association in Greater Chicago invites healthcare professionals, emerging scholars, community leaders and researchers in the lung health field to submit an abstract for poster presentations for the annual **LUNG FORCE Expo**, on **April 30, 2015** at the **Drury Lane Theatre and Convention Center**.

The LUNG FORCE Expo is an all-day educational program for patients, caregivers and healthcare providers to learn about the latest treatments resources and research to help those living with lung disease lead healthier and active lives.

Submissions that focus on topics pertinent to lung disease prevention, treatment, screening, and medications are welcome. Abstracts from research and/or practice-oriented projects from community members or organizations related to lung health are strongly encouraged, such as community health assessments and interventions, access and barriers to care, and trends in lung disease among marginalized populations.

Abstract Submission Deadline: March 6, 2015

Past Expo session topics have included:

- New Role of Nitric Oxide in Asthma
- Smoking Cessation and the Lung Compromised Patient
- Affordable Care Act: What is Next?
- Management of Stable COPD: Spirometry GOLD Guidelines
- Approaches to Staging Lung Cancer and the Future of Personalizing Treatment for Lung Cancer
- Increasing Patient Adherence to Asthma
- Pediatric Flexible Fiberoptic Bronchoscopy: Use and Limitations
- Tobacco Control Update and the New Landscape of Tobacco Products

Required abstract structure: title, author name(s), credentials, affiliation(s), topic (see above), background, objectives, methods, results and implications for lung health. Maximum length: 250 words.

Please complete the form below and email abstracts to ExpoIllinois@Lung.org. In the subject line include "**LFE Abstract Submission**".

Poster presenters will be notified of acceptance on or before March 31, 2015. All accepted abstracts will be included in the Expo program.
