

May 19, 2024

Comerica Park | Detroit, MI

Our premier stair-climbing event, the **Fight For Air Climb** is a unique athletic and fundraising challenge that is open to all fitness levels. When you sponsor a Fight For Air Climb, you are stepping up to make a positive impact in the lives of those affected by lung disease.

We climb for our friends and loved ones who suffer from lung cancer and all lung diseases. Fight For Air Climbs attract people who are motivated and passionate about the cause, as well as those who enjoy challenging athletic and fundraising events.

We hope your organization will be a part of the excitement as we keep the momentum going for our 18th annual event. Last year **Climb Detroit was recognized as the #2 Fight For Air Climb nationwide**. We anticipate more than 1,500 participants and their guests to join us at Comerica Park on Sunday, May 19.

Do Good, Feel Great!

This is the perfect event for a day of fun, challenge, and camaraderie in support of an incredible cause and mission to end lung disease for all. Your company also has the chance to help raise awareness about the importance of lung health and play an important role in our finding a cure for lung cancer and lung disease through their involvement. Contact us to learn more about additional sponsorship and team building opportunities.
