

Secrets of Top Fundraisers

We asked some of the top Fight For Air Climb fundraisers for some tips. Here's what they said:

Ask, ask, ask everyone you know! Friends, family, coworkers, neighbors, business contacts, etc.

If you never ask, the answer will always be no!

**Be visible!
Make it well-known that you're participating in the Fight For Air Climb.**

Give everyone the chance to support you. You never know who has a connection to lung disease or just wants to support YOU in your endeavors.

Use the Climb Participant Center. There are a lot of great resources built-in and ready for you to use.

Hype the Climb! You're a part of a really unique event for a great cause in one of the most iconic buildings on the Orlando Skyline. Share your excitement!

Start your Facebook Fundraiser! This is the easiest way to reach a large audience with quick results.

Every dollar raised get us all closer to a world without lung disease.

There is no donation too big or too small.

The Fight For Air Climb Leadership Team is here to help!
