

Your Personal Page vs. Your Team Page

Personal Page

When you register, you'll receive an email with the link to your Personal Page. **Send your Personal Page link to ask everyone in your networks to donate!**

By asking for donations with your Personal Page link, you will receive credit for what you have raised for incentives, while contributing to your overall team goal if you're on a team!

Team Page

As a team member or team captain, you'll have access to a Team Page in addition to your Personal Page. **You can send the link to your team page to recruit colleagues, friends and family to join the team!**

Your name will appear on the team page roster like in the example pictured on the right.

The Team Page fundraising total is a summation of all individual team members' fundraising.

The number next to your name is your individual fundraising total. When you click on your name, you'll be taken to YOUR personal fundraising page.
