# Fight For Air Climb
How To Personalize Canva templates with Your own Images for Social Media!

1. Visit Canva.com
   Canva is FREE to use and create with a basic account.
   Access the template, here, double-click on the template to open it and click "Use Template".
   - See the screenshot to the right for guidance.

2. On the left navigation menu select "Uploads"- "Upload files" button.
   - Select your image from the Climb or of your family, company, logo, etc.
     - Your image will now appear in the uploads area.
   - See the screenshot to the right for guidance.

3. Drag and Drop your image into the graphic
   - To do this hold the left mouse button while moving it from the uploads area over to the image screen. It will "click" into place.
   - From here you can double click on the image and use: edit photo to crop, adjust, or edit as needed.

4. Download your image by selecting "Share" in the upper right corner.
   - Choose Download- Follow the prompts.
   - We recommend a jpg or png image.
   - Select Download one more time and your image will begin to save to your computer.

5. Share this image with everyone you know!
