Body

Thank you for visiting our LUNG FORCE team page. We formed our team to make a difference in the lives of people impacted by lung cancer and lung disease.

Being a part of LUNG FORCE is about supporting those in need and saving lives by funding innovative research and early detection initiatives.

NEED HELP?

Use the worksheet and prompts below to begin writing your story to share with family, friends, colleagues, and neighbors.

I am walking:

Examples:

- *in honor or in memory of a loved one*
- *to raise awareness*
- *to fight against COVID-19 and other lung diseases etc.*

Because:

Examples:

- *I am a lung cancer survivor*
- *I love someone living with lung disease*
- *34 million Americans live with chronic lung disease*

The American Lung Association is important to me because it:

Examples:

- *has been a source of support for me or my family*
- *helped me to be a voice for change*
- *saved my life by encouraging me to get scanned*

Welcome to My LUNG FORCE Page

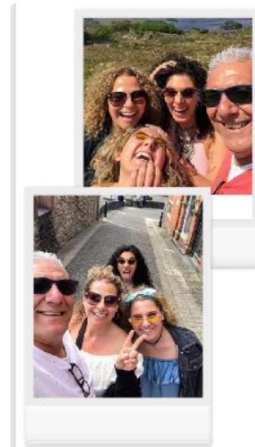

Thank you for visiting my page for the 2024 LUNG FORCE Walk. I walk in memory of my mom who fought a courageous battle with lung cancer.

Your support is greatly appreciated as we raise awareness and funds to battle lung cancer and lung disease. Your donation and participation give hope to the 34 million Americans suffering from lung disease, and those like me, who have lost loved ones. Every donation makes a difference in supporting the American Lung Association's research innovation, which leads to early detection for all and better treatments that give everyone a fighting chance.

To support my efforts, and to help save lives, please donate now.

Be a part of the FORCE to defeat lung cancer and lung disease one step at a time.
