

Using Your Participant Center

The LUNG FORCE Walk participant center is your online Walk hub where you can edit your fundraising pages, access template fundraising and recruitment emails, connect to social media and more!

Logging In

Go to your local LUNG FORCE Walk's official homepage. At the top right corner, click the "Login" tab and enter your username and password. Once logged in, click the dark blue "Participant Center" button to enter your participant center.

Customize Your Personal & Team Pages

Customize your pages with why you're walking and add personal photos. Participants who update this page tend to fundraise significantly more!

Edit your personal page with a title and share why you walk in the body. Don't forget to save your text!

Add a photo or video of yourself or who you are walking for!

Welcome to My LUNG FORCE Page

Body:
Thank you for visiting my page. I'm here to make a difference in the lives of people impacted by lung cancer and lung disease.
Being a part of LUNG FORCE is about supporting those in need and saving lives by funding innovative research and early detection initiatives.
I would greatly appreciate your support.
Your donation today turns small steps into bold strides toward a world free of lung cancer and lung disease.
Thank you.

Email

Send Messages

Participants can increase their donations by sending emails to their contacts. Under the "My Email" tab, you'll see we have created templates for you. Personalize your emails by sharing why you are walking.

Email Badge

Review the step-by-step instructions under the "My Social" tab on how to download a unique badge for your email signatures. An email badge (example below) shows your fundraising progress in real-time, so everyone you email can help you reach your goal!

Using Your Participant Center

Go Social

Through the "My Social" tab, you can send messages to your network using templated messages, schedule Facebook messages to be sent out and thank your donors. The participant center links to Facebook, email, X (formerly known as Twitter) and LinkedIn. The first tab provides fundraising messages and the second tab provides team recruitment messages. All messages can be customized to meet your needs.
